

Be Reef Smart **Snorkel & SCUBA** *Etiquette*

Reef Safe Sunscreen

Choose products with active ingredients titanium dioxide and zinc oxide. Avoid oxybenzone.

Keep Our Seas Debris Free

Always take your rubbish with you.

Fins Up For Coral

Coral is a very fragile, living animal. Never kick, stand, break or touch the reef.

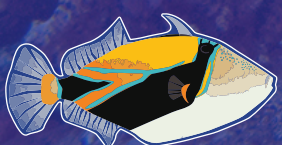

5 Feet to Wildlife

Enjoy sea turtles, fish & other wildlife, but be respectful and give them space.

No Need to Feed

Fish feeding disrupts natural food cycles. Never feed fish on the reef.
