**BEYOND
PESTICIDES**

SUPPORTED BY THE MAUI VISITORS BUREAU AND FUNDED BY THE HAWAI'I TOURISM AUTHORITY THROUGH THE DESTINATION MANAGEMENT ACTION PLAN, WE INVITE THE HOSPITALITY INDUSTRY TO TAKE PART IN A NEW PILOT PROGRAM FROM THE MAUI REEF FRIENDLY LANDSCAPING COALITION TO IMPLEMENT CHEMICAL-FREE LANDSCAPING ON A PORTION OF THEIR PROPERTY. THE PROGRAM COMES AT NO COST TO THE PROPERTY.

Program Offerings

- Consultation meeting with property to determine test location, specific needs and problem areas, to create detailed site-specific plans
 - Soil testing and analysis (5 total)
 - SoilThrive™ applications (4 total)
 - Chemical-free landscaping consultations throughout the duration of the pilot
 - If time-sensitive problems arrive, contact Environmental Solutions Maui (808) 466-3263 or info@esmaui.com
 - A document/letter that outlines requests for contracted landscapers to only use “organic” products or an option to re-work contracts to incorporate “organic” land management
 - A comprehensive list and customized recommendations for proper disposal of chemical inputs and reef friendly landscaping alternatives
- 
-
